VISIT OUR EMERGING ARTISTS

Art In The Pearl Fine Arts & Crafts Festival is pleased to continue our *Emerging Artists Program*. Open to Oregon and Washington artists, this competitive program gives these promising new artists with minimal show experience an opportunity to plan, design, and build an exhibit of their work. We pair each artist with a mentor who helps guide them through the process of booth preparation, presentation and sales. This year our jury selected **FOUR** very deserving artists: **CHANTEL COOK**/Woodworking furniture, **SUSAN SCHIMELFINING**/Sculpture, **JESSICA PAIL**/Painting, & **JENNA PHILPOTT**/Printmaking.

Please visit booths **N83, N84, N85, N86** to view and purchase the art of these promising artists.
